HAND CRAFTED SCROLL DESIGN

In the old days the local Blacksmith was a friendly fellow that everyone could depend upon to make practical tools for trade.

A very good Black Smith could also create things of beauty.

At Dishers Fencing we have Harnessed the Skills of a Bygone e

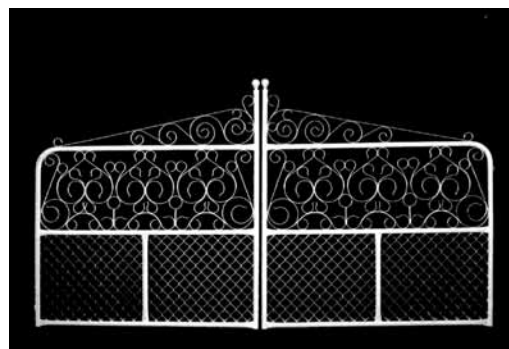

Without out losing any of the originality we have designed for you.....Scroll Gates & Fences, Balustrades, Garden Arches, Sign Posts & Clothes Lines

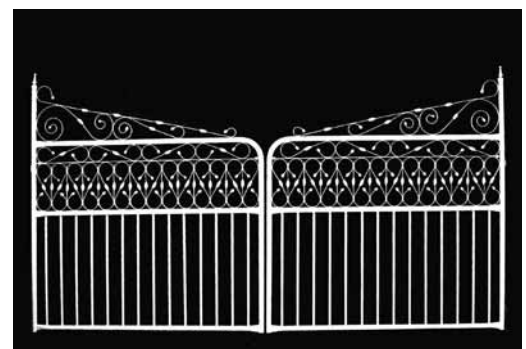

Home Making in the late 1800s to the 1920,s had a lot to do with creating a Beautiful Flower Filled Garden Land Scape, Decorated with Ornaments & Water Features.

In Complimenting the Garden, Hand Made Scroll Fences & Gates helped to create a Warm & Friendly Atmosphere that could be shared among Family and Friends.

First Impressions Touch the Heart. Your Front Entrance can inspire Warm Memories that Capture the Tranquil Essence of a by Gone Era, a time when Life was much Slower & Less Complicated.
